GOVERNMENT'S MOTION TO SEAL

The Government respectfully requests that its Motion to Amend Conditions of Detention be filed under seal because the details therein concern ongoing efforts to protect classified information. As soon as all efforts are complete, the Government will notify the Court and move to unseal its motion and the resulting Order.

The Government has conferred with defense counsel, and defense counsel does not oppose the sealing of the Government's motion and the Court's resulting Order during the aforementioned efforts.

Respectfully submitted,

James D. Durham
Acting United States Attorney
