

**UNITED STATES DISTRICT COURT FOR THE
SOUTHERN DISTRICT OF GEORGIA
AUGUSTA DIVISION**

UNITED STATES OF AMERICA)	CASE NO: CR 117-34
)	
V.)	
)	
REALITY LEIGH WINNER)	

JOINT STATUS REPORT

The United States of America, though the undersigned Assistant United States Attorney and Trial Counsel, and Defendant, through her attorneys, state that they have not been able to resolve the following pretrial motions and will require a ruling from the Court to settle the actual controversy or dispute:

- Motion To Suppress Doc. no. 63
- Motion For Leave To File Motion For Bill Of Particulars Doc. no. 165
- Motion *In Limine* Regarding 404(b) Evidence *See* Doc. no. 166

The parties understand that the Court will require attendance at a hearing on any listed motion and may require supplemental briefing prior to such hearing. The parties also understand that they will be required to explain to the Court what steps were taken to attempt to resolve the motions without Court intervention.

On December 27, 2017, the parties met-and-conferred to discuss the above-listed motions and the preparation of a proposed Amended Scheduling Order. Aside from discussing the motions listed above, the parties identified and discussed numerous pretrial matters and events, including pretrial matters and events not currently addressed in the operative scheduling order, that will need to be contemplated and resolved in connection with any amended scheduling

order, including but not limited to: (a) expert disclosures; (b) a discovery cut-off (including deadlines for any amended discovery requests or Rule 17(c) subpoenas); (c) briefing and hearings arising under the Classified Information Procedures Act (including submissions under Sections 5, 6(a), and 6(c)); (d) additional motions *in limine*; and (e) other pretrial deadlines (including deadlines for the disclosure of witness lists, exhibit lists, and Jencks Act materials). The parties believe they have the basic structure of a proposed amended scheduling order with realistic dates accompanying each event. As certain discovery matters remain pending before the Court that will directly affect scheduling, the parties respectfully request 14 days from the date of the Court's order on Defendant's Appeal on her Motion to Compel to submit a proposed Fifth Amended Scheduling Order.

Respectfully submitted,

BOBBY L. CHRISTINE
UNITED STATES ATTORNEY
